

# Artificial Intelligence & The Frontiers of Computing

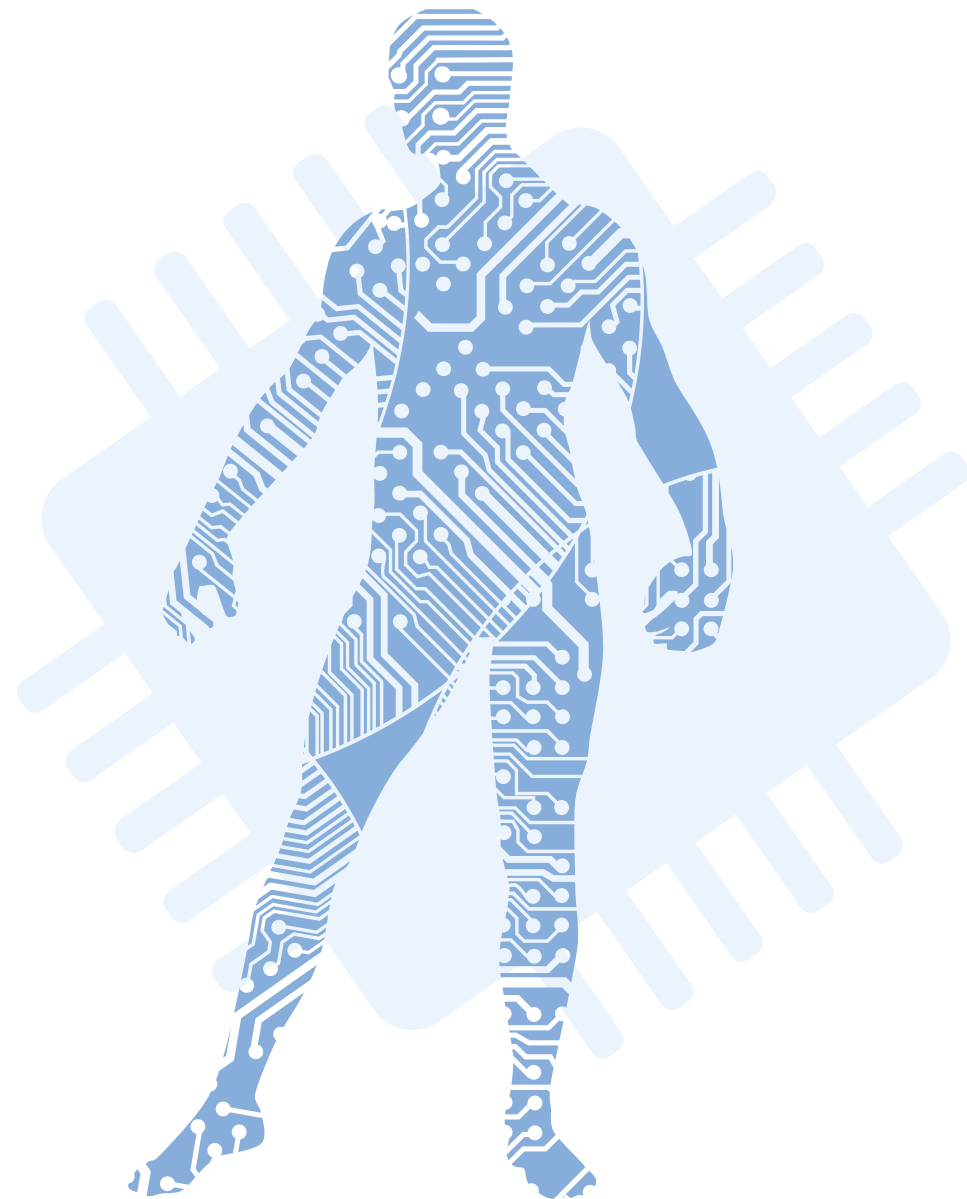

# Agenda Style

**01** Intro

**02** History

**03** Current Trend

**04** Quantum computing

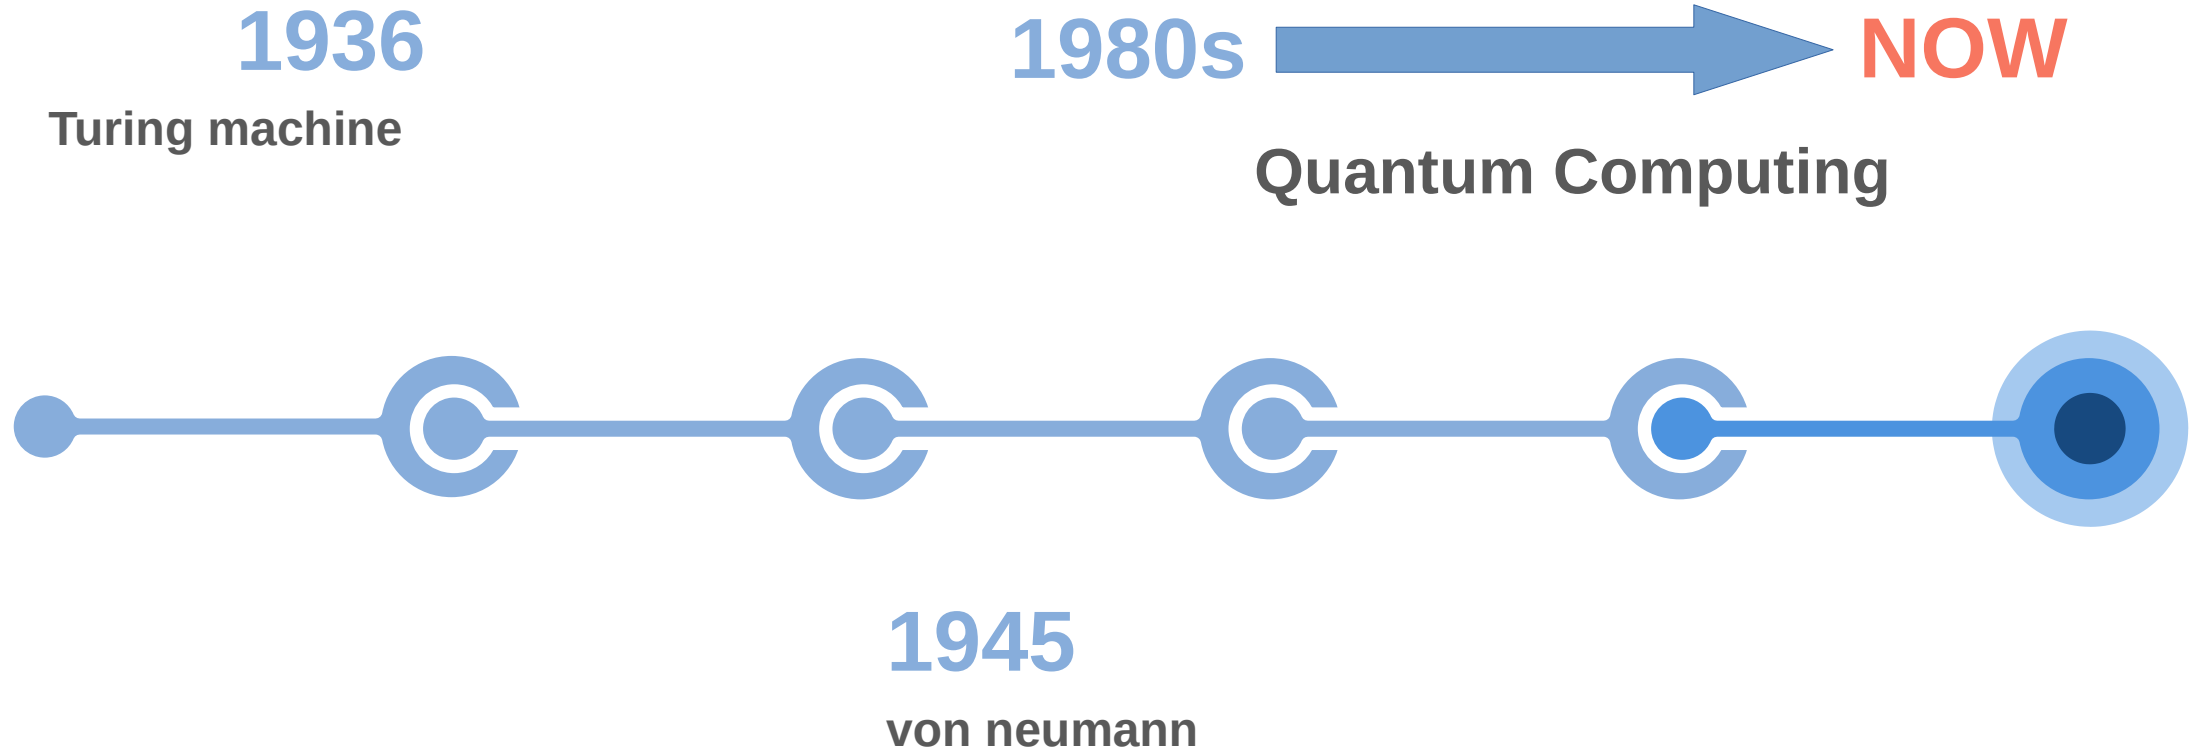

# Intro

- Universal CM
- non-Universal CM

# History

## Current Trend

- ANN
- Automated machine learning

# Quantum Computing

- Superposition
- Entanglement
- Applications to machine learning

# IBM

- Digital nation Africa

## D-wave systems

# How to start?

Thank You
